Amramp is designed to comply with ADA (Americans with Disabilities Act) design criteria. These are Federal Standards as we provide in all states. Our price is based on ADA criteria. If you require us to provide a ramp that is to meet other local requirements, please let us know before we deliver so we can provide a cost quote for those requirements.

Excluded: Site work, concrete work, landscaping of any kind, in-fill above or below the ramp surface. Transition from end of ramp to grade by others. If stairs are required, customer is responsible to bring grade to first riser of step into compliance. Steps are built in 7” increments.

Generally, if there are rails or other elements that are being removed to permit installation of the work, the cost of reinstallation is not included unless it is specifically listed here.

This proposal may be withdrawn by us if not accepted within 30 days.

Acceptance of proposal - The above prices, specifications, and the terms and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified.
