Dear Parent/Guardian:

The Ravenswood Youth Baseball and Softball League is part of the Cal Ripken and Babe Ruth League. This affiliation does not change how the Ravenswood League will operate, but provides the Ravenswood League with greater flexibility and expands the number of teams we can play during the upcoming Spring 2021 season. In addition to home games in Ravenswood during the 2021 Spring season, teams in the Coach Pitch Division, the Minor League Division, and the Major League Division will travel to the Wood County, West Virginia area for away games. It is the responsibility of each parent or guardian to ensure that your player can attend away games.

On the back of this form you will find information regarding the upcoming 2021 Spring season, including sign-up dates, registration fees, eligibility requirements, and divisions. If you previously elected to roll over your registration fee from the 2020 Spring season to the 2021 Spring season, you must still sign your player(s) up for the 2021 Spring season.
